Math* & Science* -3 each

Physical Education-2

Health and Computer Science-.5 each

Foreign Language-2

Fine Arts-2

(Art I & II, Band, or Choir)

+One Additional Elective

Parents, Robin & Gary Ekstrom have this to say about MLHS, "Even though he attended St. Paul's Lutheran Elementary School in Truman, we never considered sending our son, Andrew, to MLHS. It just wasn't in our plans. Then he told us that he wanted to go there, so we took a look at the school and enrolled him. He graduated in 1999. It was the best choice for him and for us. He was fully prepared for his college years at Minnesota State University, Mankato. He graduated with a degree in Bio-Chemistry. Our second son, Alex, is going to MLHS now—there is no other choice for us."

Advanced Placement Courses

- Literature & Composition
- European History
- Calculus
- Computer Science
- College in the Classroom
College level courses in English and Social Studies provided on the MLHS campus through Concordia University, St. Paul. Passing PSEO students will automatically receive college credits.
